Discussion – COVID Policy

There was extensive discussion on whether or not the Natural Alternative will follow the current CDC guidelines involving mask requirements.

After much discussion, the board has decided that as of now the mask mandate at the Natural Alternative will remain in place due to extreme cases in Polk County. The board will assess the situation at the next regularly scheduled board meeting on June 14, 2021.

Volunteer Hours:

Jeff Peterson put together up a sign-up sheet where members can plug in to volunteer slots to help fulfill tasks that the staff are not able to accomplish because of the current limited staffing.

Adjournment – J. Peterson moved to adjourn meeting at 8:57 pm
